

Alerion Express 28 – Fleet 1 - Racing Schedule

Hello Fleet #1,

Below is the 2022 racing schedule put together by Kersey, Bill Clausen, Fred Paxton and Mike Quinn. Needless to say, we recommend that you sail your Alerion Express 28, 362 days a year, 363 days a year during Leap Year, with days off for an annual physical, an annual dental appointment and filing your taxes. That said, if you need to pare down your schedule a bit, we recommend the races below and will be working to get as many fleet members out to these events as possible.

In addition, we have selected the 8 race days that will count in the 2022 Season Championship. Each boat will be scored on its 6 best race days (each day will be tallied separately in multi-day events) and boats racing less than 6 days will be given the last place finish +1 for the day they did not sail that had the lowest number of finishers.

We look forward to seeing you out there. Let's go sailing! - Kersey, Bill, Fred and Mike.

P.S. If you are new to racing and would like an experienced racer to join you on an event, either (A) Don't worry about it and just go sailing, or (B) Call one of us and we will find someone to spend the day with you 😊
